REMARKS

The Notice of Non-Compliant Amendment gave the reason that the changes to the Abstract were not presented on a separate sheet.

The present amendment includes the changes to the specification and the changes to the abstract on separate sheets. The reason for including the changes to the specification is that in the amendment found non-compliant, the abstract was included with the specification.

The Examiner is requested to call the undersigned or Mr. Kroll if further changes are required to obtain allowance of the application.

A favorable action is solicited.

Respectfully submitted,
